In the fall of 1893, a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter Co., Cal., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. Longwell Bros. desire us to publish the following extract from a letter of Charles M. Gutfield, of Reedley, Fresno Co., Cal., as they handle the remedy referred to and want their customers to know what a splendid medicine it is:

"It is with pleasure I tell you that by one day's use of Chamberlain's Cough Remedy I was relieved of a very severe cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs. For sale by Longwell Bros.

## THE MAJESTIC STEEL RANGE

Other dealers in the county are falling over themselves in securing an agency for some other Steel Range to try and compete with the famous "MAJESTIC."

More Majestics sold in Michigan than all others combined. Why? Ask anyone who uses them.

If you want a cheap range don't buy a Majestic.

Lawton, Feb. 25, 1895.

J. H. WATERS & CO.—Gentlemen:—I have used the Majestic Steel Range for two years now and it has given perfect satisfaction. I think it requires less fuel and gives more heat than any other range. For heating water too I think it excels any other. I am perfectly satisfied it is the best made.

Very Truly Yours,

## KING OF EYES!

Eyes POSITIVELY Treated Successfully.

**PROF. B. MINCER & SON,**  
THE EXPERT EYE SPECIALISTS.

Have never been excelled in fitting the Eyes, no matter how difficult or complicated the case may have been. Their thorough knowledge of the structure of the Eye, and to their extensive practice, they attribute their unprecedented success in fitting where others have failed. Remember, they fit where others are in the dark. They are the CHAMPIONS OF VISION of the Nineteenth Century. Their name is a household word in every place where they have treated the afflicted. They are a stumbling stone to the greatest scientists. They look on with amazement. No one can dispute that fact. Your neighbors must admit it.

The delicate construction of the Eye makes it necessary to use great care in selecting Spectacles. We have made the Eye a special study and have paid our entire attention to the adaptation of the same, having a thorough experience in making and adapting lenses to the Eye, we can fit accurately in every case of abnormal vision, known as Presbyopia, Myopia, Hyperopia, and Astigmatism, as well as weak sight, requiring various tinted lenses. It is not generally understood by those depending on artificial assistance to enjoy good vision that it requires as much skill and scientific knowledge to adjust Lenses to the Eye as it does to prescribe proper medicine for the system. A pair of Spectacles should not be purchased from any person who is not thoroughly acquainted with anatomy, physiology, disease of the eye, laws of light, or the science of optics. Headache and nervousness are often caused from the eyes, by different defects, and can only be relieved by properly adjusted Lenses. "An ounce of prevention is worth a pound of cure."

**CASTORIA**

for Infants and Children.

**MOTHERS, Do You Know** that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

**Do You Know** that opium and morphine are stupefying narcotic poisons?

**Do You Know** that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

**Do You Know** that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

**Do You Know** that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

**Do You Know** that Castoria is the prescription of the famous Dr. Samuel Fitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

**Do You Know** that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Fitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

**Do You Know** that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

**Do You Know** that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

**Do You Know** that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Dr. H. Fitcher* is on every wrapper.
